1. Ask players to please be quiet for a few minutes.
2. Explain you will be asking 6 quick survey questions.
3. Explain after each question you will mention the same 5 answers & they should raise 1 arm for the number that corresponds with their answer. 5 = Highly Agree, 4 = Agree, 3 = Neutral, 2 = Disagree, 1 = Highly Disagree.
4. Do one funny practice question like “Is this the coolest club in the world?” Raise your arm & then say “Raise your arm if you highly agree”. Stop after that part, because the players will have gotten the idea.

PLEASE MAKE SURE ALL PLAYERS ARE QUIET, ASK THE QUESTION & RAISE YOUR HAND AS AN EXAMPLE WITH A SMILE AS YOU SAY “RAISE YOUR ARM IF YOU HIGHLY AGREE”. THEN AFTER YOU COUNT HANDS, SAY “RAISE YOUR ARM IF YOU AGREE”. DO SIMILAR FOR LAST 3 CHOICES.

(We don't want any players to not be paying attention for the Highly Agree answer & miss that opportunity).

#	Question	# of Players Scoring 5	# of Players Scoring 4	# of Players Scoring 3	# of Players Scoring 2	# of Players Scoring 1
1	Was this fun?					
2	Will improving these skills make soccer more fun?					
3	Will practicing these skills help make you better?					
4	Will improving these skills help increase how long you likely play soccer?					
5	Will you enjoy seeing your trading card online & tracking your skills with other players around the world?					
6	If you have more fun, will that increase the chance you ask a friend who doesn't play at a club to play?
